3. If you were to speak with someone who was thinking about hiring us, what would you say?

Keith and his staff were always courteous and prompt with responding to emails and phone calls. They were always helpful answering any questions I had and gave constant updates on my case.

4. What specific thing did you like best about our service?

(Examples: Friendly and down to earth; Kept you informed; Fought for you; Reduced your stress; Treated you like family; Trustworthy and honest, etc.)

Being kept up-to-date shows their organization and thoughtfulness as a firm. It is a great stress reducer to know that you are in good hands.

5. Why did you decide to hire us in the first place?

(Examples: Referred by a friend or family member; Read Keith's book; Keith's story; Saw reviews on Google/Avvo/Facebook; Keith's 100% Satisfaction Guarantee, etc.)

I knew Keith personally and knew he would be someone good and trustworthy.

6. How did you feel about your injury case before you hired us?

(Examples: Hesitant to talk to an attorney; Cautious about who to trust; Tired of suffering alone; Frustrated with insurance company delays; Anxious about paying medical bills; Worried whether you could afford a lawyer; Uncertain about how long it would take, etc.)

I was uneasy due to the amount of vehicles involved. It was great peace of mind when I came to see Keith and his team.

7. What were the biggest challenges you had before you hired us?

(Examples: Unable to pay your medical bills; Fear of the unknown; No expert guidance on what you should do next; No practical information on choosing the right doctor; Not sure who to trust; Not understanding the injury law process; Need help fixing or replacing your car, etc.)

Having no expert guidance and being my first accident made the process stressful, but after seeing Keith and reviewing everything, it put me at ease.

8. How did we make it easier for you to address those challenges?

(Examples: Answered your questions; Scheduled doctor's appointments for you; Taught you your rights, Advised you about mistakes to avoid; Helped you move forward; Maximized the money you recovered, etc.)

By providing information about ^{the} entire process, setting up the doctor and chiropractor, and keeping me informed it made the whole process less stressful.

9. What were the top 2-3 benefits of hiring us?

(In your own words, what specific things did you find MOST helpful?)

The benefits were not having to pay out of pocket for medical care and having someone handle the paperwork and processing from the accident case.

10. What specific things, if any, could we do to change or improve our service to create a better experience for you?

Almost done...

11. May we share your comments with the public (to give other injured people a sense of what you thought about our services)?

YES! No

12. How would you like your name to appear if we use your comments?
