3. If you were to speak with someone who was thinking about hiring us, what would you say?

I would say that the law office of Keith Magness made me feel comfortable; they helped me understand what was going on, and they checked on me throughout the process to see how everything was going. I would recommend them to anyone.

4. What specific thing did you like best about our service?

(Examples: Friendly and down to earth; Kept you informed; Fought for you; Reduced your stress; Treated you like family; Trustworthy and honest, etc.)

I specifically liked the text message updates and how they made me feel comfortable. Even if it was just a hello or how are you, they ~~the~~ made me feel at home versus just another client.

**5. Why did you decide to hire us in the first place?**

(Examples: Referred by a friend or family member; Read Keith's book; Keith's story; Saw reviews on Google/Avvo/Facebook; Keith's 100% Satisfaction Guarantee, etc.)

I was referred by a friend of my mother's.

**6. How did you feel about your injury case before you hired us?**

(Examples: Hesitant to talk to an attorney; Cautious about who to trust; Tired of suffering alone; Frustrated with insurance company delays; Anxious about paying medical bills; Worried whether you could afford a lawyer; Uncertain about how long it would take, etc.)

I felt as if the insurance company was trying to get over on me.

**7. What were the biggest challenges you had before you hired us?**

(Examples: Unable to pay your medical bills; Fear of the unknown; No expert guidance on what you should do next; No practical information on choosing the right doctor; Not sure who to trust; Not understanding the injury law process; Need help fixing or replacing your car, etc.)

I was having back issues and the insurance company did not want to help with treatment even after my Dr. recommended P.T.

8. How did we make it easier for you to address those challenges?

(Examples: Answered your questions; Scheduled doctor's appointments for you; Taught you your rights, Advised you about mistakes to avoid; Helped you move forward; Maximized the money you recovered, etc.)

I was sent to a very friendly physical therapy office who helped me through my issues.

9. What were the top 2-3 benefits of hiring us?

(In your own words, what specific things did you find MOST helpful?)

I was able to receive medical treatment, and I was compensated for my time and injury.

10. What specific things, if any, could we do to change or improve our service to create a better experience for you?

This was my first accident so I wasn't sure what to expect at first I felt like I wasn't notified enough, but through the text messages and just simple questions I was reassured that everything is working itself out. I understood then that maybe I was just a little anxious.

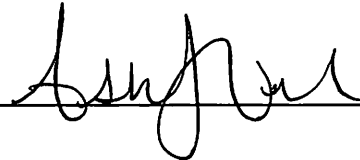

**Almost done...**
